11/21/15

Dear Judge Arcara

I'm writing you this letter to
please ask if you can have me
moved to a closer jail to Buffalo
"down closer to my Lawyer's office. I
have been requesting this for awhile
now.

I am currently under going severe
abuse and mistreatment. I am also
being denied grievances. Which helps
remedy critical situations such
as my own.

This letter will be brief
as possible because i know you are
a busy judge.

I am currently being held at
Chautauqua county jail (c.c.s) The latest
abusive incident occurred 11/21/15 6:24 PM
with Sgt. Fuller denying me a
grievance. Your Honor for the
record a grievance is a complaint
form filled out by a inmate. It
is either documented at the facility
or is fully documented and sent to

pg. 2-2

Alhong depending on the inmate discretion.

Among harsh filthy living conditions and manipulated harsh environments, i have endured racial derogatory comments from an officer named Walsh, Badge # . The racial slurs occurred on the same date i was denied a grievance from Sgt. fuller, which was 11/21/15 at 9:00 am.

I am asking to be removed from this facility and have disciplinary action taken towards this Sgt. and officer. as you know i am a federal inmate facing review time. I do not need unnecessary stress, problems or issues. I wish to only fight my case and do my time as peacefully as possible.

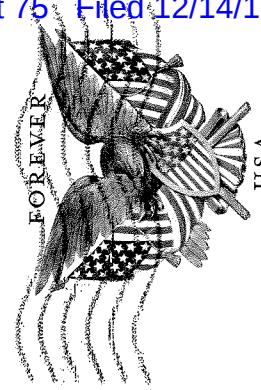

Please and thank you for your time, please respond to either myself or my Lawyer Michael O'Rourke.

This is very review please and thank you again for your time.
